

## **Mother's Day ~ A Perfect Time to Celebrate Your Family's History**

This Mother's Day, honor your Mom with a key to your family's rich past. A gift certificate for [OneGreatFamily.com](http://OneGreatFamily.com) shows your Mom that you care about your family's heritage.

Give her the gift of her own history: OneGreatFamily.com is a [fabulous tool](#) for uncovering information about past and present generations of family history. Just build a simple family tree with names and dates of known relatives, and the powerful search engine at OneGreatFamily.com goes to work matching your ancestors to millions of names in other family trees published by countless genealogy enthusiasts. No other web site will *automatically connect* your information to existing family trees – it's a fast and fun way to start uncovering your past.

Once you've entered some basic family information, have some fun looking at the Migration Map that OneGreatFamily will create for you. Or find out how your family members are related to famous mothers – Queen Elizabeth, Eleanor Roosevelt, or even Michelle Obama!

Visit [OneGreatFamily.com](http://OneGreatFamily.com) – just follow the Gift Certificates link at the bottom of the page.
